**MISSISSIPPI VALLEY AIRLINES, INC.**
**SHORTS SD3-30 AIRCRAFT**

Mississippi Valley Airlines is the largest operator of SD3-30's in the world. Powered by two Pratt and Whitney PT6-45 engines, the SD3-30 holds 30 passengers in air-conditioned, wide-bodied comfort. With a cruising speed of 200 miles per hour, the 330 is tailored to the short-haul market, making it one of the most economical airliners in operation today.
